EAST POINT HOUSING AUTHORITY'S (EPHA) 1ST ANNUAL COMMUNITY DAY

Greetings District 5,

In August, my office joined East Point Councilwoman Karen Rene to sponsor East Point Housing Authority's (EPHA) 1st Annual Community Day. This back-to-school event supplied residents of EPHA, namely Martel Homes, with resources to help their children during the school year. In addition to school supplies, food, and activities, service providers, like Fulton Health and Fulton County Library System, offered screenings and valuable information to empower families. Special thanks to State Rep. William Boddie, State Rep. David Dreyer, Pastor CJ Holliman, State Rep. Kim Schofield, State Sen. Nan Orrock, Georgia Power, and other sponsors who helped make this event a success I am looking forward to continued partnerships with East Point to affect positive change in the lives of all residents.

Best Regards,

Marvin S. Arrington, Jr.
Fulton County Commissioner, District 5

2019 IT TAKES A VILLAGE

It was a pleasure to host our 5th annual It Takes A Village (ITAV) Back to School event. ITAV promotes the idea that it takes a collaborative effort for us all to succeed. To whom much is given, much is required. This year's event took place at both the Carver YMCA and Wolf Creek Library; nearly 1,000 children received school supplies. Thanks to the Fulton-DeKalb Hospital Authority and Georgia Power for donating supplies. Special thanks to the volunteers and especially the Eastern Stars, who distributed supplies and served food to families.
