## Season of Giving

Greetings District 5,

Once again my office hosted its Annual Blanket Atlanta With Love (BAWL), a blanket and clothing drive for our citizens in need. We were able to provide hot Thanksgiving meals, clothing, and toiletries to approximately 200 homeless individuals and families. At this year's event hosted in between Fulton County Government Center and Fulton County Court, the Fulton County Board of Health provided health screenings as well as the HIV/AIDS Mobile. Special thanks to the volunteers, Commissioner Joe Carn, and County Manager Dick Anderson for serving those in need. Also special thanks to Kaiser Permanente and Aetna for donations. To whom much is given, much is required.

Best Regards,

*Marvin S. Arrington, Jr.*

Fulton County Commissioner, District 5
